Logging in

Mobile Summit uses the same login credentials as the online participant portal. Once you have registered online, log in to Mobile Summit using the same username, password, and TPA code.* After logging in to the app, you will be on the home page which lists your navigation options.

**Login credentials include username, password, and the TPA Code provided by your plan administrator. If the TPA Code is not available, you can use the URL for your online Summit account portal instead. Just enter the URL in the TPA Code field.*
